Business & Marketing Platforms: AiSensy (WhatsApp BSP), CleverTap (customer engagement)

Data Analysis: EDA, Data Cleaning, Data Validation, Statistical Analysis, Forecasting

Business Analytics: KPI Tracking, Trend Analysis, Dashboard Development, Reporting, Workflow Automation

Soft Skills: Stakeholder Collaboration, Communication, Problem-Solving

EXPERIENCE

Business Analyst *Aug 2026 – Present*

Turtlemint *Mumbai, India*

- Own KPI tracking and reporting for distribution partner performance, translating raw sales and operational data into decision-ready dashboards for leadership.
- Built and deployed a WhatsApp template automation tool integrating AiSensy and CleverTap, streamlining campaign creation and reducing manual turnaround for the marketing team.
- Lead cross-functional analysis between strategy, marketing, and distribution teams to identify performance gaps and growth opportunities.
- Conduct market and competitor analysis to inform strategic planning and business decisions.

Business Strategy Intern *Feb 2026 – Aug 2026*

Turtlemint *Mumbai, India*

- Analyzed sales and operational datasets using Excel and SQL to identify business trends and performance gaps.
- Developed KPI tracking reports and dashboards to support strategic decision-making.
- Collaborated with cross-functional teams to improve reporting processes and business workflows.

Data Analyst Intern *Aug 2024 – Feb 2025*

Wee Preside *Remote*

- Designed and deployed dashboards using Power BI and Tableau, improving decision-making efficiency by 25%.
- Analyzed 50,000+ voter records using SQL to support strategic planning.
- Automated Python-based workflows, reducing data processing time by 40%.
- Created reusable reporting scripts that shortened reporting time by 30%.
